HI Abigail!

I'm so sorry for my delay. I truly appreciate your patience.

We're confirmed for 9:30am on Tuesday, May 15th.

Please let me know if you need any parking (details needed - car make, model, tag number and state). Our address is 1849 C Street NW (Please note, DOI does have an entrance on E street but we ask you arrive via our main entrance on C Street which is closer to the Secretary's office). A member of the Secretary's staff will be in the lobby to greet you and escort you to the meeting room.

I'll ask our photographer to take a few photos at the beginning of the meeting if that's okay.

Joining the Secretary will likely be Kate MacGregor, Principal Deputy Assistant Secretary for Land and Mineral Management (Assistant Secretary Joe Balash will be out of the office but I'll let you know if that changes) and Downey Magallanes, Deputy Chief of Staff for Policy. I'll let you know if that changes.

Can you please confirm the meeting participants from your side?

Thank you!
Leila

Hi Leila,

I hope all is well. I am writing today because we will have Dr. Markus Tacke, Global CEO of Siemens Gamesa Renewable Energy in town on May 15th. Siemens Gamesa Renewable Energy's US operations are headquartered Orlando, they have manufacturing sites in Hutchinson, Kansas and Ft. Madison Iowa, and have service operations across the US.

Dr. Tacke will be joined by Jose Antonio Miranda Soto, CEO Onshore Americas for Siemens Gamesa Renewable Energy, Inc. They would appreciate the opportunity to meet with the Secretary to discuss US operations including offshore wind developments. They currently have availability from 9am-12pm – would there be any potential for a meeting with the Secretary?

Please let me know if it is helpful to provide additional information or to fill out a meeting request form.

Many Thanks

Abby
